

18 July 1952

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Attached Procedures for Dissemination of  
Finished Intelligence to Foreign Governments

1. The attached is submitted for your approval and signature, having been concurred in by the Intelligence Assistant Directors and I&S.

2. The purpose of the attached is merely to clarify a few of the procedural questions which have been bothering OCD and I&S in the dissemination to foreign governments of finished non-national intelligence.

3. We plan to continue our efforts in other aspects of this problem with the hope that ultimately appropriate revision can be made to existing regulations and the required new regulations issued to provide proper policy and procedural guidance to the offices involved. O&M concurs in this interim step.

4. If you concur, please return for appropriate distribution.
